

Your **WATERTIGHT** GUARANTEE

YOUR NAME HERE

Thank you for choosing to study for your Diploma with us at Pitman Training in The City (or Oxford Circus). We're really pleased as we know it is a very positive step and a fantastic investment in yourself. To give **you** the same confidence, we have several great offers up our sleeve.

- 1** We promise a **100% MONEY BACK GUARANTEE** if you are not absolutely delighted within 30 days from starting your course. Your Training Adviser will talk to you weekly about your progress in the first four weeks and if you are not happy about anything just let them know so we can fix it.
We hope you will go on to complete the course though and we know you will have specific goals you want to achieve through your new skills, so...
- 2** Once you have passed your first four exams, we will book a **FREE CONSULTATION with an in-house recruitment consultant** who will review your CV, update you on the job market and advise you on your job search strategy. At any time you have access to our Career Corner to support your job search and online applications.
- 3** If within 90 days of passing your final exam with us, you have not gained a job, promotion, pay rise or other goals you have set, we will give you **£200 CASHBACK**.

IN ADDITION YOU WILL QUALIFY FOR:

- ▶ A 30% travel discount on your London Transport Oyster card if you plan around 15 hours of study per week.
- ▶ A personalised membership card to the National Union of Students entitling you to up to 50% discount at hundreds of retailers for only a £10 fee.
- ▶ Your Pitman Training Privilege Extra card with discounts and special offers on further training for you, friends and family.

I hope you enjoy your Pitman Training experience with us – we will do our very best to ensure you are successful.
