

Adobe Creative Cloud Award

Adobe Creative Cloud (CC) is the latest version of their renowned suite of software programmes that enables you to create, edit and publish websites, edit photographs, create marketing materials and video and audio content.

The full suite comprises Dreamweaver CC, Photoshop CC, Illustrator CC, InDesign CC, Flash CC and Premiere Pro CC, and this award lets you tailor the training to your requirements and you can choose any three of these programmes to study. For anyone looking for a career in Web Design, Graphic Design or Video editing, this Award can help you gain top-notch practical skills to apply in your new career.

The training is really flexible and is all done online, so you can study when and wherever you want.

Is the Award for me?

This is a great award for anyone considering a career as a Graphic Designer. It's also ideal for anyone who needs to work on and produce professional looking graphics, materials, videos or other online content such as Marketing Assistants, Web Designers or Video Editors.

Award Outline

In this award you can choose any three courses from the following:

- Dreamweaver CC
- Photoshop CC
- Illustrator CC
- InDesign CC
- Flash CC
- Premiere Pro CC

“Without Pitman Training, I wouldn't have the skills or confidence I needed to get my career going. I now feel really confident about the future and love my job - it's perfect for me.”
