

Premiere Pro CC with Pitman Training

Whether you're working on a marketing campaign and need to pull a promotional video together or are looking to start a career in digital media; learning how to plan, create and edit a video with Adobe Premiere Pro will help you achieve your goal.

In this online Premiere Pro training course you'll look at features such as copyright, developing a production plan, the preproduction phase, camera basics, developing a script and much, much more.

It is an insightful course which will leave you confident in your abilities to navigate this renowned Adobe CC version of the programme.

To find out more about our range of Adobe Creative Cloud training courses, speak to a Course Advisor at any of our local centres.
