

AMSPAR Level 2 Examination

Objectives: The aim of the AMSPAR Level 2 qualification is to provide your learners, who have no previous knowledge of the subject, with a grounding in the correct construction, recognition and usage of medical terminology. Examinations are held in January and June.

Designed for: Medical terminology is at the heart of healthcare, whether NHS or private and is used in every specialty. If you are a secretary, receptionist, manager or, indeed, employed in any administrative grade, the chances are that you will need a good grasp of medical terminology to do your job effectively.

Prerequisites: None.

Course Content:

- Structure of medical terms
- Prescribed prefixes, roots and suffixes
- Terminology of prescribed body structures and systems
- Diseases, conditions, clinical procedures and investigations
- Pathology and x-ray investigations and procedures
- Pharmaceutical abbreviations
- Medical specialities

Benefits:

- Structure and meaning of medical terms
- Meaning of medical terms related to body systems
- Meaning of medical terms for different medical specialities
- Meaning of abbreviations concerning drugs and prescriptions

Duration: 2 hours
